

Cape Town Mission 2012

31 March – 14 April 2012

Led by Lisa Scerri

A wonderful opportunity to travel with singles and families to stunning Cape Town. This mission trip is family friendly, fun & life changing for all involved. We want to capture the spirit of common ground with our friends in South Africa and use our mutual love of sport and the outdoors to reach out to underprivileged kids in the townships of Cape Town.

There is something for everyone! You can assist with the running of clinics in sports such as soccer or netball. You will be able to kiss and cuddle babies, nurture and encourage mothers. The kids will be able to join in on the fun & get

alongside the children of South Africa to discover the many things they have in common, despite coming from opposite worlds. You will be involved in working alongside our staff in our new pilot program to uplift several at-risk pre-schools in Masiphumelele and also to help Life Skill Educators run after school programs. You will get the chance to help prepare a meal for 60+ folks at our homeless ministry called Living Grace, and you will also be involved in light family-style work projects to help housing in the community or on one of our campuses.

So will you join us? More than anything we need your willingness, your hands, and most importantly, your heart, to love where there are so many in need. God has gifted each one of us with talents, come out and serve these forgotten children with what God has gifted you.

- Extensions before or after the mission are welcome
- Travel insurance

Optional Safari Extension

You are welcome to safari at the end of the mission. We can recommend a number of good quality game parks in South Africa or elsewhere in Africa.

"Since returning from Cape Town, our son's youth leaders have commented on the change in him. They say he's matured greatly and is a lot more responsible and keen to help the leaders in any way he can. He is quite serious about his faith. He confidently shared with his Sunday morning group and youth group about his trip and put together a little slide show."

"My daughter's school teacher (who is not a Christian) was blown away by what we did in Cape Town. She also has seen a great change in my child and her enthusiasm to share and talk about all things African as well as generally being more socially active in relation to poverty issues. Whenever she has opportunity for public speaking she will always choose a topic which encourages others to think about helping those less fortunate than themselves."

"My family recently joined a short term mission trip to townships within Capetown, South Africa and working through the Living Hope organisation. We were certainly richly blessed by the experience, encouraged and inspired by the faith of all those we met, especially the kids and volunteers. Mission Travel Group did an excellent job from beginning to end. Thanks MTG, we wont forget it!"
